

Powers - Long

Excerpt from Journal

Office of the Legislative Counsel

Tuesday - 20 February 1962

1. (Internal Use Only - JSW) Bill Darden, Senate Armed Services Committee staff, telephoned at the request of Chairman Russell to inquire what estimate the Agency could give with respect to making Powers available to the full Committee. Darden said the Chairman did not wish to attempt to commit the Agency at this point but wanted a general idea since the pressures were mounting there. I indicated it was difficult to estimate but possibly about two weeks but that I would keep in touch on this point. I also asked Mr. Darden to advise the Chairman that the individual, of course, was not under detention and was cooperating. He himself recognizes the necessity and desirability for the debriefing and the Board action. Mr. Darden said he would pass all of this to the Chairman and he was sure the Chairman would be appreciative.
